

The
Algonquin Founders' Days Committee
Proudly Presents the
Annual Algonquin Founders' Days Festival & Parade
Saturday July 27th 2019
Theme: "Founders' Honors Our American Heroes"

Dear Potential Parade Participant:

Here we are again and we are excited to celebrate our 59th year in style! July 27th is just around the corner and we are making plans to put on a very special parade and we are hoping to have some new and exciting entries. But we also hope to welcome back the regulars that are the heart of our community. *The theme this year is "Founders' Honors Our American Heroes."* I bet that you will come up with some very innovative and entertaining floats. Nothing has changed - Line up is at 9:00 am and starts at the corner of Eastgate and Route 62 (Algonquin Road), kick off is at 11am and hopefully the last entry will near the end by 1:00pm. The parade route will again run West along Route 62 from Eastgate - turning South on Main Street (Route 31) terminating at Madison Street. Please remember when arriving for line up your participants can enter the line up area from Longwood or Hubbard. This avoids traffic congestion at Eastgate and Route 62. *Please remember that the festival will again be on the West Side of Town at Spella Park, 2610 Harnish Drive.*

When your entry passes before the dignitary stand our MC will read a statement about your group that you will email to us in advance. Take this opportunity to write something interesting about your group or market your company. Email your dialogue of **no more than 50 words** to alankirk@me.com by July 10, 2019. Please do not waste time by using fancy fonts or paragraphs because I must adjust all dialogues to one blocked paragraph at 12 pt Roman font with no bolding, underlining or centering. **For-Profit Businesses who are not Founders' Sponsors and wish to participate in the parade without building a float are required to pay a \$200 entry fee. In fairness to other For-Profit parade participants, we will charge \$250 on parade day if you show up without a float or have not already paid your fee.** Please mail a check payable to the Algonquin Founders' Days Committee, 619 N Harrison St, Algonquin, IL 60102 with your entry form or you can email your form back separately from the check. This fee helps to defray the cost of the parade and is also an incentive to build a float. Floats are more entertaining to parade watchers than a vehicle with your company name on it. In order to keep the parade under two hours long we can only accept so many applications, so please get yours in early. Floats are not very difficult to build but you can also rent them inexpensively as well. Typically when you rent a float it will come with a tow vehicle and driver. If you would like information on float building companies, call or email us.

Your parade packet, line up number, map, and other info will be mailed out one week before the parade. Paid participants please note that you are not confirmed until you hear back from me.

On parade day we must keep the parade moving so here are some rules. Routines/Displays in front of the dignitary stand will last no longer than 30 seconds. **This Is Mandatory!** Never stop the parade to do a routine. Do them when the parade is already stopped. Once you pass the dignitary stand, do not race away and leave a huge gap. Slow down and let the participant behind you catch up. Maybe just stop and do a routine a little further down. When you reach Madison Street please turn left and keep moving so you do not block floats behind you. If you are road worthy, and the police approve that you are, your entry can continue past Madison to Route 31 and go North or South. Plan in advance how you will exit the parade and where your transportation will meet you, etc. This year with your help we will have another safe and successful parade. Thank you in advance for your hard work in putting together your entry and for your participation in our historical town parade! One of the two longest running festivals in Illinois!

Sincerely:

Aaron Griffith Kirk
